

# i-Mover™ for Carts

## Patent # 6,938,711,B2

## Specifications

### *i-Mover™ for Carts*

Easily move heavy carts safely and ergonomically with the i-Mover™ for Carts. This innovative device eliminates back strain, stress on arms, shoulders and wrists associated with moving heavy objects. The result is reduced employee injuries and safer transportation of heavy loads.

i-Mover™ for Carts
